I know, you caught me at a bad couple of weeks. I can do Wed from 9-11 am, or if the chemical review meeting is cancelled next Thursday, I am free during 10-11:30.

Hi Amy.

I will look again. Your calendar seems to be the busiest. Do you have times/dates that you know you are free? I'm looking for a times next week if possible.

Thanks,  
Debra
